

## God on Trial

The Righteous Man vs. The Violent Mob

John 18:12-24

The Righteous Man	The Violent Mob
1) The righteous man speaks <u>publicly</u> and on the <u>record</u> about Christ's supremacy	1) The riotous mob <u>appeals</u> to the law while <u>subverting</u> the law for their agenda
2) The righteous man stays the course and makes <u>truth</u> the issue	2) The riotous mob makes their judgment and then seeks evidence to <u>justify</u> it
3) The righteous man builds <u>integrity</u> as his greatest defense	3) The violent mob <u>collects</u> sound bites and misinterprets them to <u>fit</u> their agenda
4) The righteous man knows when to argue and when to be <u>silent</u>	4) The riotous mob <u>hates</u> the truth even if it is to their own <u>destruction</u>
5) The righteous man knows the story's <u>end</u> and <u>warns</u> even the mob of immanent danger
