

## Worship the Son of God, Part 3

Four Aspects of Sonship (*Anchor Passage: Phil. 2:5-10*)

### 1) The Eternal Son: By Nature

### 2) The Embodied Son: By Birth

Jesus being the Embodied Son means that Jesus was conceived by an act of divine \_\_\_\_\_

(*Phil.2:6, Luke 1:34-35, Col 2:9, 1 Tim. 2:5-6*)

A) The God-man offers \_\_\_\_\_ being able to sympathize with our weakness (Heb. 4:15)

B) The God-man offers \_\_\_\_\_ by empowering grace for those who approach His throne (Heb. 4:16)

C) The God-man offers an invitation to draw near, find mercy and receive grace by faith in Him. (Heb. 4:16)

**Challenge:** The *eternal* God has all power.

But the *incarnate* Jesus didn't always seem to have all power.

**Answer:** Jesus chose to \_\_\_\_\_ on the Holy Spirit for leading and empowering, as a \_\_\_\_\_ man.

(*Phil 2:7, Heb. 2:14-17, Heb. 4:15, Luke 3:22, Luke 4:1, Luke 4:18-21, Matt. 12:24-32, Acts 10:37-38*)

#### **Applications:**

Look at Jesus' \_\_\_\_\_ as an achievable example.  
(*Galatians 5:16-22, 1 Corinthians 12:4-6*)

Look at Jesus' \_\_\_\_\_ as an imitable example.
